REMARKS

Specification Status

The Office Action notes that the amendments filed August 22, 2006 should have resubmitted all the amendments in the Amendment and Claim sections filed May 25, 2006, except with any corrections needed to comply with the August 2, 2006 Notice. Applicant is resubmitting herewith the amendments from the May 25, 2006 response, except with the corrections needed to comply with the August 22, 2006 Notice. Applicant believes this response fully addresses the Office Action's objections.

Claim Status

Claims 1 – 12 and 14 are pending in the present application. No additional claims fee is believed to be due.

Claims 15 – 18 and 20 have been withdrawn as a result of a restriction requirement.

It is believed these changes do not involve any introduction of new matter. Consequently, entry of these changes is believed to be in order and is respectfully requested.

Response to Restriction Requirement

The Office has required, under 35 USC §121, election of a single disclosed invention for prosecution on the merits. Applicant hereby elects to prosecute the invention designated in the Office Action as Invention I. This election is made without traverse. Claims 1 – 12 and 14 are drawn to the elected invention.

Conclusion

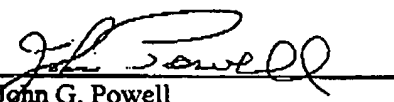

This response represents an earnest effort to place the application in proper form. Early and favorable action in the case is respectfully requested.
